

RECYCLING AND REPURPOSING

We repurpose clean 100% cotton T-Shirts and cut them from the bottom to just under the arm. We then braid them into jump ropes for distribution in shoeboxes for Operation Christmas Child, a ministry of Samaritan's Purse.

T-shirts can be donated at The Worship Place, the Sun City Campus, 811 Sun City Blvd. There is a bin in the Welcome Center of the Church and donations of clean t-shirts can be made when the church is open, normally weekdays 9:00 – 4:00 and on Sundays during church services. For more information contact Gail Roush at groush57@gmail.com and to learn how to make braided jump ropes join us on January 11th or 25th from 1:00 – 3:00 at The Worship Place, Fellowship Hall.

Cutting up t-shirts
into strips and
braiding them

braided jump rope made from
repurposed t-shirts

We also accept yarn to crochet or knit for mission projects, sewing notions – we make sewing kits for older girls, and Christmas cards (cut off the sentiment – we will use the card front as a picture and write a note on the reverse side).
